

Norseman Silver Inc. Announces Grant of Options

Vancouver, British Columbia September 25, 2023 – Norseman Silver Inc. (TSXV: NOC) (“**Norseman**” or the “**Company**”) announces that its board of directors has approved the grant of incentive stock options (the “**Options**”) to certain directors, officers, employees and consultants to acquire a total of 2,350,000 common shares in the capital of the Company at an exercise price of \$0.12. All Options were granted pursuant to the Company's 10% rolling stock option plan (the “**Plan**”) and are subject to the terms of the Plan, the applicable grant agreements and the requirements of the TSX-V. The Options are exercisable for a five-year term expiring September 25, 2028.

About Norseman Silver

Norseman Silver is focused on acquiring, exploring and developing silver assets with upside potential in the Americas. The Company's current property portfolio includes the Cariboo, Silver Vista, Silver Switchback and projects, located in a prolific region in central British Columbia, Canada, and the Taquetren silver project, located in Rio Negro, Argentina. Norseman Silver's shares are listed on the TSX Venture Exchange under the symbol NOC and on the OTCQB under the symbol NOCSF. Learn more about Norseman Silver at www.norsemansilver.com.

Cautionary Note Regarding Forward-Looking Statements

The above contains forward-looking statements that are subject to a number of known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in our forward-looking statements. Factors that could cause such differences include: changes in world commodity markets, equity markets, costs and supply of materials relevant to the mining industry, change in government and changes to regulations affecting the mining industry. Forward-looking statements may be identified by such terms as “believes”, “anticipates”, “intends”, “expects”, “estimates”, “may”, “could”, “would”, “will”, or “plan”, and similar expressions. Forward-looking statements in this release include, among other things, statements regarding the issuance and trading of the common shares and business, economic, and political conditions in Canada. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company's objectives, goals or future plans, statements, grants of options, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, an inability to predict and counteract the effects of COVID-19 on the business of the Company, including but not limited to the effects of COVID-19 on the price of commodities, capital market conditions, restriction on labour and international travel and supply chains, and those risks set out in the Company's public documents filed on SEDAR. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
